Nursing College Admission Conversational Flow

1. Greeting and Interest in Admission Conversation

Assistant:

Hello! Thank you for visiting our Nursing College admissions assistant. Are you interested in getting admission to our Nursing College?

Positive Response : (e.g., Haan - Yes, Batao-Tell me more, Kya hai?):

Negative Response : (e.g., Nahi - No):

Assistant: Thank you very much for your time. Should you have any queries in the future, feel free to reach out. Have a nice day!

End the Conversation.

2. Eligibility Check: Biology Qualification

Assistant :

Great! To begin with, may I ask if you studied Biology in 12th grade?

Positive Response (Biology confirmed): Proceed to next Step.

Negative Response or Mentions another subject:

Assistant: It is mandatory to study biology in 12th.

3. B.Sc. Nursing Course (For those with 12th level Biology).

Let me tell you some details of the B.Sc. Nursing course: It is a full-time course with an extensive syllabus, all geared toward preparing outgoing students for a decent career in Nursing. Shall I proceed with giving the details of the program?

Positive Response if yes : Refer to the next step

Negative Response:

Assistant : If questions do come to your mind, please don't hesitate to contact me. I'm here to assist you." In this case, the conversation ends.

4. Fees & Payments

Assistant :

These are the respective remunerations for the admission operations for the B.Sc. Nursing course:

- Tuition Fee: ₹60,000 INR
- Bus Fee: ₹10,000 INR
- Total Annual Fees: ₹70,000 INR

The payment of this fee may be made in three installments:

1. 1st Installment of ₹30,000 (admission time).
2. 2nd Installment of ₹20,000 (after finishing of 1st semester).

3. 3rd Installment of ₹20,000 (after finishing of the 2nd semester).

Is there anything else you may want to find about this college?

The user responds with a Yes:

Go to next Step.

If user responds negatively:

Assistant: Well, alright then. Do come back should you feel that I can be of assistance to you in any other way.

5. Hostel and Training Facilities

Assistant :

Besides academic excellence, we'd like to stress on the facilities that our College has to offer:

- **Hostel Facilities:**

Water supply and electricity are guaranteed 24x7.

CCTV cameras have been installed for security purposes.

Touting student security, the warden is available on campus grounds

- **Training Facilities:**

Hospital training, where you will make treatment directly upon real patients in your clinical training.

Will you want to hear about the location where the college is situated or the surrounding area?

Positive Response: Proceed to next Step.

User Negative Response:

Assistant: No problem. We can also move on to more details if needed. Let me know how else I can help!

6. College Location and Surrounding Area

Assistant:

Our college is situated in Delhi, giving you a vibrant backdrop of educational and cultural sites. Besides, hospital training forms an integral part of the course, thus ensuring that your practical experiences are quite exhaustive and hands-on.

Would you like to know more about the local area or the surrounding infrastructure?

Positive Response:

Assistant: Provide further local details.

7. Accreditation

Assistant:

The college holds recognition within India by the Indian Nursing Council (INC), New Delhi. That recognition is what guarantees that students undergo education and training to meet national standards.

Would you like any further information about our accreditation or recognition?

Positive Response:

Assistant : Continue to describe, with specific details, what the accreditation processes as well as its benefits entail.

Then proceed to next Step.

Negative Response: Then proceed to next Step.

8. Clinical Training Locations

Assistant:

In the field of actual training, among others, you will be provided training at the following clinical sites:

- District Hospital (Backundpur)
- Community Health Centers
- Regional Hospital (Chartha)
- Ranchi Neurosurgery and Allied Science Hospital (Ranchi, Jharkhand)

This form of on-campus clinical work is vital for nursing training.

Assistant: Would you be interested in learning more about any of these clinical training locations?

If yes: Provide further information.

If no: Proceed to next Step.

9. Scholarship Opportunities

Assistant:

Here are some scholarship schemes you might be eligible for in support of your study:

- Government Post-Matric Scholarship-₹18,000 - 23,000
- Labor Ministry Scholarships-₹40,000 - 48,000 if one has Register Labour Status

Would you want to hear something more about those schemes?"

Response:

If yes: More details on eligibility criteria, the application process, and key dates.

If no: Proceed to next Step.

10. Number of Seats Available

Assistant:

So far, please keep in mind there will be 60 seats in nursing.seat allotment? (If needed)

11. Final Review of Eligibility Criteria

Assistant :

All in all, the eligibility criteria for admission into our B.Sc Nursing programme would chiefly comprise of

- Passed Biology in 12th class.
- Must have taken PNT exam.
- Age is between 17 to 24 years on or before 31st Flora.

12. Closing Statements and Offer for Further Assistance

The college thanks you for your interest. Please do not hesitate to ask us for any assistance or concerns regarding applying, as we truly want to assist you!
